As a property owner, tenant, or person who has requested notice, you should know that a public hearing will be held by the Hearing Officer to consider an application for a Coastal Development Permit and Conditional Use Permit for proposed improvements to an existing 2,340-square-foot religious assembly building. Additions to the existing building will total 2,270 square feet and include a 592-square-foot addition to the first floor, a 592-square-foot addition to the second floor, a 584-square-foot addition to create a new third floor, and a new 502-square-foot roof deck. Renovations include improvements to meeting rooms and restrooms and replacement of existing access stairs on the north and south façades.
